

# ENDLESS INSPIRATION FRAMELESS INNOVATION

Honeywell

Honeywell Elegant wiring devices

Our frameless range, seamlessly integrating efficiency and sophistication into every project. From concept to completion, we prioritize precision and elegance, ensuring your space reflects both functionality and beauty. We redefine the standard for swift installations without compromising on style. Welcome to a world where installation meets elegance, welcome to Honeywell Elegant Wiring Devices.

Large panel Frameless Design

# EMBRACING THE INFINITE BORDERLESS

A seamless integration and minimalist appeal, revolutionizes both aesthetic and functionality of borderless design.

**Borderless & Integrated One-piece Rocker**

**Quick Snap on up to 4 Gang Switches**

**Rocker can remove individually for easy maintenance**

**Solid Rocker Clips**

Ensure no compromise or breakages of the clips during installation and give no tolerance to rockers dropping.

The new Honeywell Elegant switches is the latest innovation that provides an impressive installation time saving of up to 45%.\*

\* Tested by Honeywell ASEAN's EP warehouse

### **Thin Bezel - R1mm Radius**

Perfect alignment between switches  
to switches to ensure aesthetic  
Integration to fit into any décor.

### **Soft Touch Operation Switches**

Designed  
to operate  
quietly for your  
maximum  
comfortability.

**Engrave Marking**

# UNVEILING THE CHARM OF MATTE PERFECTION

From furniture to fixtures, our matte surfaces offer a subtle yet striking aesthetic that adds depth and warmth to any space. It minimize glare and fingerprints, exuding a sense of tranquility and refinement. Elevate your design with the timeless appeal of matte finishes, where understated elegance meets lasting beauty

**MATTE  
FINISH**

**ANTI  
GLARE**

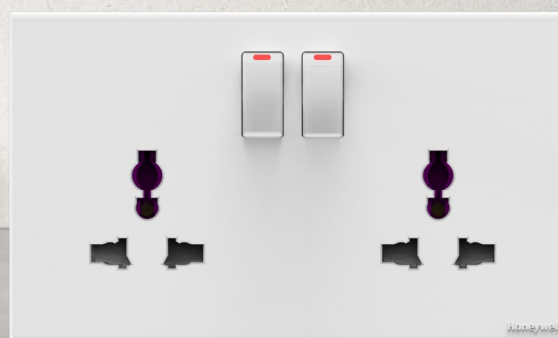

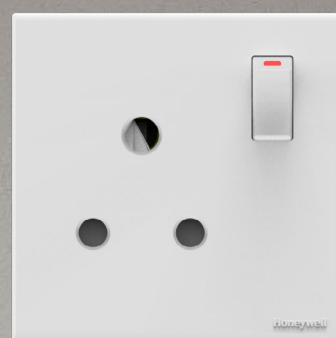

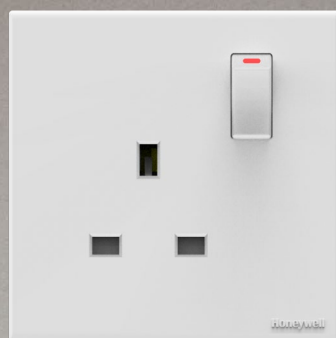

# YOUR PROJECT IN EVERY STANDARD SOCKET

# USER FRIENDLY AND SAFE

From fast installation to seamless safety

## Shielded Arc

Ensure no visible discharge of electricity

## Full Metal Earth Strap

Enhance safety to prevent earth fault

## Child Proof Safety Shutter

Isolating safety shutter to prevent children from putting their finger in. It can completely block current

## Honeycomb Design

Sturdy & Robust

## Non-removable Screws

Ensure that it remain securely fastened, reducing the risk of parts loosening during installations works

## Opened Wiring Terminal

Ensure faster installations time leading to cost saving

Large wiring capacity, able to fit up 2 x 6.0mm<sup>2</sup> stranded wires

## Clear visible Markings for Wiring Strips

Ensuring safe, efficient, and organized electrical installations

## Oblong Shape Holes & 4 Multi Points

Provides flexibility for easy adjustment and angular movement when the screw is not set straight and easily accommodate improperly installed back boxes.

# SAFETY FIRST

Switches are tested in accordance with IEC 60669

Socket are tested in accordance with BS1363-2 / SS145-2 / MS589-2

One Piece Shroud  
with Base

Brass Busbar  
Better Conductivity

Shutter

40K Operations

Polycarbonate Integrated  
One Piece Frameless Rocker

# EMPOWERING CONNECTIVITY WHERE EVERY CONNECTION COUNTS

Extending connectivity across every corner of your home with our data socket solutions to provides uninterrupted internet connection yet harmonizing the socket with your home decor.

# EURO MODULAR EXPAND INFINITE POSSIBILITIES

It offers perfect versatility for your every project need.

Supplies power, datacom, telephone, multi-media,  
television and audio combinations.

1 Gang 1 Module  
25X50 Euro Frame Plate

1Module 25x50 Euro RJ45  
CAT 6 Data Socket / RJ11  
Telephone Socket

1 Gang 2 Module  
50X50 Euro Frame Plate

2Module 50x50 Euro 16A French/  
Belgium 2P+E Socket Outlet

2Modules 50X50 Euro 16A  
International Socket Outlet

# **RIGOROUS AND SUITABLE FOR OUTDOOR USE**

## **GUARDIAN WEATHERSHIELD IP55**

Honeywell Elegant Wiring Devices switches & sockets able to fit into MK Guardian Weathershield. It is designed to be used in potentially dangerous areas which heavily exposed to dust and splashing conditions.

First digit defines  
**Dust Protection**

**5** Dustproof-  
protection from  
dust, sawdust  
and other small  
particles

Second digit defines  
**Water Protection**

**5** Waterproof-  
protection from  
strong jets of  
water from any  
direction

Frameless Design

Matte Finishes

Anti Glare

Rapid Installation with  
Monobloc rocker up to 4G

Honeycomb design support

Multi points allow for angular  
movement that will easily  
accommodate improperly  
installed back boxes

Screw terminals are supplied  
open & ready to wire.

Non removable terminal screws  
to ensure easy maintenance

Enhanced safety for socket –  
Full Metal Earth Strap

Visible marking for Wiring Strips

Isolating safety shutter to prevent children from putting their finger in. It can completely block current.

Socket with USB withstand Insulation resistance test to ensure no inadvertent connections between live conductors, and between live conductors and Earth before the installation is energized

Euro Modular Frame to expand functionalities

Polybag suitable for retailing

Compliance with standards IEC / BS/ MS / SS / SNI Standard

RoHS compliance to protect human health and the environment from the harmful effects of certain hazardous substances
